PROGRAMMING YOUR REMOTE *Auto Search Procedure*

- Turn on your television.
- On the remote control, PRESS a device mode key (i.e., **TV**) and hold for 5s. The device mode key will light up.
     - a. *NOTE*: Use the **AUX** mode key to program control of VCR, DVD player, cable box, satellite set-top-box and audio device.
- PRESS the **POWER** key once.
- Aim the remote control at the TV. PRESS either the **CHANNEL UP** key or **CHANNEL DOWN** key to do device auto-scan:
     - a. PRESS the **CHANNEL UP** key to start searching upward at an approx. 5 seconds interval for each device code. The **TV/AUX** mode key will be on and blink every 5 seconds while in the device scan mode.
     - b. *NOTE*: In this search mode, the remote control will send IR codes from the library starting from the lowest code set number to the end of code set for that device; OR
     - c. PRESS the **CHANNEL DOWN** key to start searching downward at an approx. 5 seconds interval for each code set. The TV mode key will be on and blink every 5 seconds while in the device scan mode.
     - d. *NOTE*: In this search mode, the remote control will send IR codes from the highest code set number to the beginning of code set of that device.
- If the TV turns off, a working code has been found. PRESS **OK** once to lock in the code. The selected mode key will blink twice.
- If all code sets of that device is exhausted in the search and the **OK** is not pressed, the selected device key will fast blink 7 times and the search mode will be terminated.

  NOTE: During the auto-scan, you can PRESS **UP** arrow or **DOWN** arrow to advance to the next device code immediately without waiting for 5 seconds. You can also use **UP** arrow or **DOWN** arrow to change the direction of the search.

  NOTE: In the programming mode if no key is received within 30s, the device mode key backlight will blink rapidly for 7 times to indicate an error and then extinguish, and the programming mode will end.

TROUBLESHOOTING

MISSING CHANNELS: PRESS Guide and check if display is set to "Subscribed" or "Favorites" list. To display "All" or "Subscribed" channels, PRESS Guide button repeatedly until the tab at the top of the Guide displays "All" or "Subscribed".

Channel Blocking will not display channels in the Guide. To edit your Channel Blocking settings, see Channel Blocking in your PSC*tv* User Guide.

Parental Controls can also prevent channels from being displayed. To edit your Parental Control settings, see Parental Controls in your PSC*tv* User Guide.

In order to make any system changes or purchase from Pay-Per-View/Video-on-Demand services, a password or PIN is required. **The default password and PIN is set to 0 (zero)**.

To change your password and/or PIN, please reference the Settings, Editing a User Account section of the new PSC*tv* User Guide.
